

Wickwar Parish Council Community Grants Scheme – Application Form

1. Organisation/ group name:

This must be the same name as that used on the bank account.

Wickwar Out of School Club

2. Describe the project/ equipment/ event this grant would be used for:

- *New groups should explain the purpose of any “start-up” grant and their plans for becoming self-supporting.*
- *Be specific about the amount sought and what it is for – i.e. a piece of equipment, furniture, event, staff training etc. Where appropriate, it is helpful to provide options with varying levels of grant sought.*

We would like to install two external flood lights overlooking the side of our outdoor area to allow outdoor play to continue throughout the darker winter months. Our children enjoy using part of our shed as a den/breakout area (doors stay open) and we are in the process of obtaining quotes to create a larger sheltered area.

3. What is the total cost of the project/ equipment/ event?

£315.60 (£263 +VAT)

4. How will this project/ equipment/ event benefit some/ all of the residents in the parish?

Please give numbers/ percentages where possible

This will benefit residents of the parish by allowing children to safely play outside during the winter when it gets dark early. Although there are currently no COVID restrictions in place, ensuring children have access to fresh air is vital to preventing the spread. Being able to use the sheltered area during the colder/wetter weather will allow the children to regularly make use of this area that will protect them from the worst of the winter weather.

5. How much are you applying for:

Maximum grant £500

£315.60

6. If the grant does not cover the full cost of the project/ equipment/ event, how will the rest of the cost be financed?

7. Please include below any other information which you consider to be relevant to your application.

The Community Centre has recently had outdoor lights installed overlooking the front of the outdoor area. The quote we have obtained is from the same electrician and the bulk of the work has been done, we intend to add to what has just been installed.

8. The following will be required upon completion of the project:

- 8.1 A copy of the appropriate invoice/s on completion of the project for which the grant was provided (e.g. for equipment or services).**
- 8.2 A short report on the benefit/difference that the grant has made to the group and to the residents of the parish, will be required in the May following the award of the grant. A representative from your group may be invited to attend and/or present the report at the Annual Meeting of the Parish in May.**
